Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a section numbered 23.1-615.1 as follows:

§ 23.1-615.1. Enslaved Ancestors College Access Scholarship and Memorial Program.

A. The Enslaved Ancestors College Access Scholarship and Memorial Program (the Program) is established for the purpose of reckoning with the history of the Commonwealth, addressing the long legacy of slavery in the Commonwealth, and acknowledging that the foundational success of several public institutions of higher education was based on the labor of enslaved individuals.

B. Consistent with the purpose set forth in subsection A, Longwood University, the University of Virginia, Virginia Commonwealth University, the Virginia Military Institute, and The College of William and Mary in Virginia shall each implement and execute the Program, with any source of funds other than state funds or tuition or fee increases, by annually (i) identifying and memorializing, to the extent possible, all enslaved individuals who labored on former and current institutionally controlled grounds and property and (ii) providing a tangible benefit such as a college scholarship or community-based economic development program for individuals or specific communities with a demonstrated historic connection to slavery that will empower families to be lifted out of the cycle of poverty.

C. The Council shall collaborate with the institutions set forth in subsection B to establish guidelines for the implementation of the Program, including guidelines for the identification of all enslaved individuals who labored on former and current institutionally controlled grounds and property, the development of appropriate means to memorialize these individuals, the development of programs for

27 individuals and communities still experiencing the legacy of slavery to empower them to break the cycle
28 of poverty, eligibility criteria for participation in such programs, and the duration of such programs.

29 D. Each institution set forth in subsection B shall continue the activities set forth in subsection B
30 pursuant to the Program for a period equal in length to the period during which the institution used
31 enslaved individuals to support the institution or until scholarships have been awarded to a number of
32 recipients equal to 100 percent of the population of enslaved individuals identified pursuant to subsection
33 B who labored on former and current institutionally controlled grounds and property, whichever occurs
34 first.

35 E. Each institution set forth in subsection B shall annually submit to the Council information on
36 the implementation of the Program. The Council shall compile such information in a report and submit
37 such report no later than November 1 of each year to the Chairmen of the House Committee on
38 Appropriations, the House Committee on Education, the Senate Committee on Education and Health, the
39 Senate Committee on Finance and Appropriations, and the Virginia African American Advisory Board.

40 F. Each private institution of higher education with a legacy of slavery that is similar to that of any
41 institution set forth in subsection B is strongly encouraged to participate in the Program on a voluntary
