CHAPTER 57.

**§ 59.1-603. Definitions.**

As used in this chapter, unless the context requires a different meaning:

"Customer" means an individual who is lawfully on the premises of a retail establishment.

"Eligible medical condition" means (i) any inflammatory bowel disease, including Crohn's disease, ulcerative colitis, or irritable bowel syndrome; (ii) the use of an ostomy device; or (iii) any other diagnosed medical condition, including pregnancy, that requires immediate access to a toilet facility.

"Employee toilet facility" means a toilet facility in a retail establishment that is not a public restroom but is used by employees of the retail establishment.

"Medical professional" means a physician, naturopathic physician, physician assistant, nurse, or nurse practitioner qualified to diagnose an eligible medical condition.

"Retail establishment" means a place of business open to the general public for the sale of goods or services.

**§ 59.1-604. Retail establishment; customer access to toilet facilities.**

26 A retail establishment that has an employee toilet facility shall allow any customer to use such  
27 employee toilet facility during normal business hours if:

28 1. The customer does not have immediate access to a public restroom;

29 2. The employee toilet facility is not located in an area where providing access would create an  
30 obvious health or safety risk to the customer or others or an obvious security risk to the retail  
31 establishment;

32 3. The customer provides the retail establishment with evidence of the customer's eligible medical  
33 condition. Such evidence shall indicate that the customer suffers from an eligible medical condition and  
34 shall either be a copy of a statement signed by a medical professional on a prescription form or an  
35 identification card; and

36 4. At least two employees of the retail establishment are working onsite at the time the customer  
37 requests to use the employee toilet facility.

38 **§ 59.1-605. Liability limited; changes to facility.**

39 A. A retail establishment or the employee of such establishment shall not be civilly liable for any  
40 act or omission in allowing a customer with an eligible medical condition to use an employee toilet facility  
41 if the act or omission:

42 1. Is not willful or grossly negligent; and

43 2. Occurs in an area of the retail establishment that is not accessible to the public.

44 B. No retail establishment shall be required to make any changes to an employee toilet facility  
45 under this chapter.

46 **§ 59.1-606. Civil liability.**

47 A customer who suffers loss as the result of an act or omission by a retail establishment or an  
48 employee of a retail establishment that violates this chapter shall be entitled to bring an individual action  
49 to recover damages, not to exceed \$100, resulting from such violation.
