3	(Proposed by the House Committee on General Laws
4	on)
5	(Patron Prior to SubstituteSenator DeSteph)
6	A BILL to amend and reenact § 2.2-4324 of the Code of Virginia, relating to Virginia Public Procurement
7	Act; preference for goods produced in the United States.
8	Be it enacted by the General Assembly of Virginia:
9	1. That § 2.2-4324 of the Code of Virginia is amended and reenacted as follows:
10	§ 2.2-4324. Preferences; goods produced in Virginia, in United States, or with recycled
11	content.
12	A. In the case of a tie bid, preference shall first be given to goods produced in Virginia, goods or
13	services or construction provided by Virginia persons, firms or corporations and preference shall then be
14	given to goods produced in the United States; otherwise the tie shall be decided by lot.
15	B. Whenever the lowest responsive and responsible bidder is a resident of any other state and such
16	state under its laws allows a resident contractor of that state a percentage preference, a like preference
17	shall be allowed to the lowest responsive and responsible bidder who is a resident of Virginia and is the
18	next lowest bidder. If the lowest responsive and responsible bidder is a resident of any other state and such
19	state under its laws allows a resident contractor of that state a price-matching preference, a like preference
20	shall be allowed to responsive and responsible bidders who are residents of Virginia. If the lowest bidder
21	is a resident contractor of a state with an absolute preference, the bid shall not be considered. The
22	Department of General Services shall post and maintain an updated list on its website of all states with an
23	absolute preference for their resident contractors and those states that allow their resident contractors a
24	percentage preference, including the respective percentage amounts. For purposes of compliance with this
25	section, all public bodies may rely upon the accuracy of the information posted on this website.

C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances
where goods are being offered, and existing price preferences have already been taken into account,
preference shall be given to the bidder whose goods contain the greatest amount of recycled content.
D. For the purposes of this section, a Virginia person, firm or corporation shall be deemed to be a
resident of Virginia if such person, firm or corporation has been organized pursuant to Virginia law or
maintains a principal place of business within Virginia.
