insert

No civil penalty shall be imposed pursuant to the provisions of this section or any local ordinance adopted pursuant to this section unless the parking space reserved for charging plug-in electric motor vehicles has a sign that includes the following language: "PENALTY, UP TO \$50." Such language may be placed on a separate sign and attached below any sign indicating that the space is reserved for charging plug-in electric motor vehicles. In the case of a local ordinance adopted pursuant to subsection

C, the sign shall indicate the amount of the civil penalty if such ordinance imposes a civil penalty
