A. The Board may grant the following mixed beverages licenses:

1. Mixed beverage restaurant licenses, which shall authorize the licensee to sell and serve mixed beverages for on-premises consumption in dining areas and other designated areas of such restaurant or off-premises consumption. Such license may be granted only to persons (i) who operate a restaurant and (ii) whose gross receipts from the sale of food cooked, or prepared, and consumed on the premises and nonalcoholic beverages served on the premises, after issuance of such license, amount to at least 45 percent of the gross receipts from the sale of mixed beverages and food. For the purposes of this subdivision, other designated areas shall include outdoor dining areas, whether or not contiguous to the licensed premises, which outdoor dining areas may have more than one means of ingress and egress to an adjacent public thoroughfare, provided such areas are under the control of the licensee and approved by the Board. Such noncontiguous designated areas shall not be approved for any retail license issued pursuant to subdivision A 5 of § 4.1-201.

If the restaurant is located on the premises of a hotel or motel with no fewer than four permanent bedrooms where food and beverage service is customarily provided by the restaurant in designated areas, bedrooms, and other private rooms of such hotel or motel, such licensee may (a) sell and serve mixed beverages for on-premises consumption in such designated areas, bedrooms, and other private rooms or off-premises consumption and (b) sell spirits packaged in original closed containers purchased from the Board for on-premises consumption to registered guests and at scheduled functions of such hotel or motel only in such bedrooms or private rooms. However, with regard to a hotel classified as a resort complex, the Board may authorize the sale and on-premises consumption of alcoholic beverages in all areas within

The club's gross receipts from the sale of nonalcoholic beverages consumed on the premises and food resold to its members and guests and consumed on the premises shall amount to at least 45 percent of its gross receipts from the sale of mixed beverages and food. The food sales made by a restaurant to such a club shall be excluded in any consideration of the qualifications of such restaurant for a license from the Board.

If the restaurant is located on the premises of and operated by a municipal golf course, the Board shall recognize the seasonal nature of the business and waive any applicable monthly food sales requirements for those months when weather conditions may reduce patronage of the golf course, provided that prepared food, including meals, is available to patrons during the same months. The gross receipts from the sale of food cooked, or prepared, and consumed on the premises and nonalcoholic beverages served on the premises, after the issuance of such license, shall amount to at least 45 percent of the gross receipts from the sale of mixed beverages and food on an annualized basis.

and consumption of lawfully acquired alcoholic beverages by persons to whom overnight lodging is being provided in bedrooms and private guest rooms.

For the purposes of this subdivision, other designated areas shall include outdoor dining areas, whether or not contiguous to the licensed premises, which outdoor dining areas may have more than one means of ingress and egress to an adjacent public thoroughfare, provided such areas are under the control of the licensee and approved by the Board. and any other requirements imposed on the delivery of alcoholic beverages by this subtitle or Board regulation.

C. In addition to the application requirements set forth in § 4.1-230 and any regulations or requirements adopted pursuant thereto, third-party delivery licensees shall provide to the Board, at the time of application and annually thereafter or as otherwise required by the Board, written certification that the third-party delivery licensee is in compliance with all applicable requirements set forth in Article 2 (§ 46.2-2141 et seq.) of Chapter 21 of Title 46.2. E. Any person who violates the provisions of this section shall be required to pay (i) \$2,500 for a first violation and (ii) \$5,000 for any second or subsequent violation. The penalties provided under this subsection may be imposed in addition to or without imposing any other penalties or actions provided by law.

F. Notwithstanding subsection B, a third-party delivery licensee may deliver alcoholic beverages to a retail licensee if such alcoholic beverages are being delivered on behalf of the Authority.

§ 4.1-230. Applications for licenses; publication; notice to localities; fees; permits.

1287 A. Every person intending to apply for any license authorized by this chapter shall file with the
1288 Board an application on forms provided by the Board and a statement in writing by the applicant swearing
1289 and affirming that all of the information contained therein is true.

1296 the basis of a pending application or inspection, such license shall authorize the licensee to purchase
1297 alcoholic beverages in accordance with the provisions of this title; however, the licensee shall not sell or
1298 serve alcoholic beverages until a permit is issued or an inspection is completed.

1303 the Board on the front door of the building, place, or room where he proposes to engage in such business
1304 for no more than 30 days and not less than 10 days. Such notice shall be of a size and contain such
1305 information as required by the Board, including a statement that any objections shall be submitted to the
1306 Board not more than 30 days following initial publication of the notice required pursuant to this
1307 subsection.

1308 The applicant shall also cause notice to be published at least once a week for two consecutive
1309 weeks in a newspaper published in or having a general circulation in the county, city, or town wherein
1310 such applicant proposes to engage in such business. Such notice shall contain such information as required
1311 by the Board, including a statement that any objections to the issuance of the license be submitted to the
1312 Board not later than 30 days from the date of the initial newspaper publication. In the case of wine and

1318 history records search, which may include a fingerprint-based national criminal history records search, on
1319 each applicant for a license. However, the Board may waive, for good cause shown, the requirement for a
1320 criminal history records search and completed personal data form for officers, directors, nonmanaging
1321 members, or limited partners of any applicant corporation, limited liability company, or limited
1322 partnership.

1323 Except for applicants for wine and beer shipper's licenses and delivery permits, the Board shall
1324 notify the local governing body of each license application through the county or city attorney or the chief
1325 law-enforcement or administrative officer of the locality. Local governing bodies shall submit objections
1326 to the granting of a license within 30 days of the filing of the application.

1327 C. Each applicant shall pay the required application fee at the time the application is filed. Each
1328 license application fee, including annual banquet and annual mixed beverage banquet, shall be \$195, plus
1329 the actual cost charged to the Department of State Police by the Federal Bureau of Investigation or the
1330 Central Criminal Records Exchange for processing any fingerprints through the Federal Bureau of
1331 Investigation or the Central Criminal Records Exchange for each criminal history records search required
1332 by the Board, except for banquet, tasting, or mixed beverage club events licenses, in which case the

1348 basis of the consumer price index and shall not increase fees more than once every three years. Prior to
1349 implementing any state license fee increase, the Board shall provide notice to all licensees and the general
1350 public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any
1351 license affected by the Board's proposed fee increases. Such notice shall be provided on or before
