and Dependents Education Program.

Be it enacted by the General Assembly of Virginia:

1. That § 23.1-608 of the Code of Virginia is amended and reenacted as follows:

**§ 23.1-608. Virginia Military Survivors and Dependents Education Program; tuition and fee
waivers.**

A. As used in this section, unless the context requires a different meaning:

"Domicile" has the same meaning as provided in § 23.1-500.

"Program" means the Virginia Military Survivors and Dependents Education Program.

"Qualified survivors and dependents" means the spouse or a child between the ages of 16 and 29

(i) of a military service member who, while serving as an active duty member in the Armed Forces of the
United States, Reserves of the Armed Forces of the United States, or Virginia National Guard, during
military operations against terrorism, on a peacekeeping mission, as a result of a terrorist act, or in any
armed conflict, was killed, became missing in action, or became a prisoner of war or (ii) of a veteran who

discharged or released under conditions other than dishonorable. However, the Commissioner of Veterans
Services may certify dependents above the age of 29 in those cases in which extenuating circumstances
prevented the dependent child from using his benefits before the age of 30. For purposes of this section, a
child who is a stepchild of a deceased military service member described in this section shall receive all

27 benefits described in this section as a child of such military service member if the military service member
28 claimed the stepchild on his tax return or on his Defense Enrollment Eligibility Reporting System for three
29 years prior to his death.

30 B. The Virginia Military Survivors and Dependents Education Program is established for the
31 purpose of waiving tuition and mandatory fees at a public institution of higher education or Eastern
32 Virginia Medical School for qualified survivors and dependents who have been admitted to such
33 institution and meet the requirements of subsection C, as certified by the Commissioner of Veterans
34 Services.

35 C. Admitted qualified survivors and dependents are eligible for a waiver of tuition and mandatory
36 fees pursuant to this section if the military service member who was killed, became missing in action,
37 became a prisoner of war, or is disabled (i) established domicile (a) at the time of entering such active
38 military service or called to active duty as a member of the Reserves of the Armed Forces of the United
39 States or Virginia National Guard; (b) at least five years immediately prior to, or had a physical presence
40 in the Commonwealth for at least five years immediately prior to, the date on which the admission
41 application was submitted by or on behalf of such qualified survivor or dependent for admission to such
42 institution of higher education or Eastern Virginia Medical School; or (c) on the date of his death and for
43 at least five years immediately prior to his death or had a physical presence in the Commonwealth on the

52 by such qualified spouse. In any case under this subsection, the Commissioner of the Department of
53 Veterans Services shall have the authority to waive domicile or physical presence requirements if such

54 requirements are not met because the military service member or surviving spouse dies before such
55 requirements can be met.
