(Proposed by the Senate Committee on Finance and Appropriations
on February 9, 2022)

(Patron Prior to Substitute--Senator Locke)

A BILL to amend and reenact § 58.1-439.30 of the Code of Virginia, relating to income tax; housing opportunity tax credits.

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-439.30 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-439.30. Tax credit.

A. A housing opportunity tax credit shall be allowed for each qualified project for each year of the credit period, in an amount equal to the amount of federal low-income housing tax credit allocated or allowed by the Authority to such qualified project, except that there shall be no reduction in the tax credit allowable in the first year of the credit period due to the calculation in 26 U.S.C. § 42(f)(2).

~~B. For taxable years beginning on and after January 1, 2021, but before January 1, 2026, a~~ A qualified taxpayer may claim a housing opportunity tax credit against its Virginia tax liability prior to reduction by any other credits allowed the taxpayer. The housing opportunity tax credit may be allocated by pass-through entities to some or all of its partners, members, or shareholders in any manner agreed to by such persons, regardless of whether or not any such person is allocated or allowed any portion of any federal low-income housing tax credit with respect to the qualified project, whether or not the allocation of the housing opportunity tax credit under the terms of the agreement has substantial economic effect within the meaning of § 704(b) of the Internal Revenue Code, and whether ~~or not~~ any such person is deemed a partner for federal income tax purposes as long as the partner or member would be considered a partner or member as defined under applicable ~~state~~ federal law, and has been admitted as a partner or member on or prior to the date for filing the qualified taxpayer's tax return, including any amendments thereto, with respect to the year of the housing opportunity tax credit. Such pass-through entities or

27 qualified taxpayer may assign all or any part of its interest, including its interest in the tax credits, to one
28 or more pass-through entities or qualified taxpayers, and the qualified taxpayer shall be able to claim the
29 housing opportunity tax credit so long as its interest is acquired prior to the filing of its tax return claiming
30 the housing opportunity tax credit.

31 C. The housing opportunity tax credit authorized by this article shall not be refundable. Any
32 housing opportunity tax credit not used in a taxable year may be carried forward for the succeeding five
33 years.

34 D. A qualified taxpayer claiming a housing opportunity tax credit shall submit a copy of the
35 eligibility certificate at the time of filing its tax return with the Department. If the owner of the qualified
36 project has applied to the Authority for the eligibility certificate but the Authority has not yet issued the
37 eligibility certificate at the time the qualified taxpayer files its original tax return claiming the housing
38 opportunity tax credit, the taxpayer may claim the housing opportunity tax credit based upon the amount
39 of tax credit set forth in the carryover allocation or 42(m) letter, as applicable, issued to the qualified
40 project and shall amend its tax return to include the eligibility certificate upon its receipt. If the amount of
41 tax credit in the eligibility certificate is different than the amount of tax credit previously claimed, the
42 taxpayer shall adjust the tax credit amount claimed on the amended tax return.

43 E. If under § 42 of the Internal Revenue Code, as amended, a portion of any federal low-income
44 housing credits taken on a qualified project is required to be recaptured or is otherwise disallowed during
45 the credit period, the taxpayer claiming housing opportunity tax credits with respect to such project shall
46 also be required to recapture a portion of any tax credits authorized by this article. The percentage of
47 housing opportunity tax credits subject to recapture shall be equal to the percentage of federal low-income
48 housing credits subject to recapture or otherwise disallowed during such period. Any tax credits recaptured
49 or disallowed shall increase the income tax liability of the qualified taxpayer who claimed the tax credits
50 in a like amount and shall be included on the tax return of the qualified taxpayer submitted for the taxable
51 year in which the recapture or disallowance event is identified.

52 F. The Authority shall administer the housing opportunity tax credit program and shall be
53 authorized to promulgate the regulations and guidelines necessary to implement and administer the

54 ~~provisions of this article. Such regulations and guidelines may include the imposition of application,~~
55 ~~allocation, certification, and monitoring fees designed to recoup the costs of the Authority in administering~~
56 ~~the housing opportunity tax credit program. The Authority may also promulgate regulations and guidelines~~
57 ~~in consultation with the Department to allow a qualified project to elect in its application to the Authority~~
58 ~~to sell all or any portion of its credits awarded pursuant to this article to one or more unrelated taxpayers.~~
59 ~~Regulations and guidelines regarding the sale of credits, if promulgated, shall not take effect prior to~~
60 ~~January 1, 2023, and shall not apply to credits awarded prior to January 1, 2023.~~

61 G. ~~The total amount of tax credits authorized under this article shall not exceed \$15 million per~~
62 ~~calendar year housing opportunity tax credit created pursuant to this article shall only be claimed with~~
63 ~~respect to taxable years beginning on or after January 1, 2022.~~

64 **2. That the provisions of this act shall apply only to taxable years beginning on and after January**
65 **1, 2022.**
