29 guidelines for recycled products to be established by the Department of General Services.

30 **§ 2.2-4324. Preference for Virginia firms.**

33 decided by lot.

34 B. Whenever the lowest responsive and responsible bidder is a resident of any other state and such
35 state under its laws allows a resident contractor of that state a percentage preference, a like preference

37 next lowest bidder. If the lowest responsive and responsible bidder is a resident of any other state and such
38 state under its laws allows a resident contractor of that state a price-matching preference, a like preference

40 is a resident contractor of a state with an absolute preference, the bid shall not be considered. The

52 In determining the award of any contract for plastic materials to be purchased for use by agencies
