**§ 24.2-404. Duties of Department of Elections.**

A. The Department of Elections shall provide for the continuing operation and maintenance of a central recordkeeping system, the Virginia voter registration system, for all voters registered in the Commonwealth.

In order to operate and maintain the system, the Department shall:

1. Maintain a complete, separate, and accurate record of all registered voters in the Commonwealth. Such system shall automatically register a person who has preregistered pursuant to § 24.2-403.1 upon that person becoming eligible for registration under § 24.2-403 or reaching 18 years of age, whichever comes first.

2. Require the general registrars to enter the names of all registered voters into the system and to change or correct registration records as necessary.

3. Provide to each general registrar (i) voter confirmation documents for newly registered voters, including voters who were automatically registered pursuant to subdivision 1, and for notice to registered voters on the system of changes and corrections in their registration records and polling places and (ii) voter photo identification cards containing the voter's photograph and signature for free for those voters

27 who do not have one of the forms of identification specified in subsection B of § 24.2-643. The Department  
28 shall promulgate rules and regulations authorizing each general registrar to obtain a photograph and  
29 signature of a voter who does not have one of the forms of identification specified in subsection B of §  
30 24.2-643 for the purpose of providing such voter a voter photo identification card containing the voter's  
31 photograph and signature. The Department shall provide each general registrar with the equipment  
32 necessary to obtain a voter's signature and photograph, and no general registrar shall be required to  
33 purchase such equipment at his own expense. Photographs and signatures obtained by a general registrar  
34 shall be submitted to the Department. The Department may contract with an outside vendor for the  
35 production and distribution of voter photo identification cards.

36 4. Require the general registrars to delete from the record of registered voters the name of any  
37 voter who (i) is deceased, (ii) is no longer qualified to vote in the county or city where he is registered due  
38 to removal of his residence, (iii) has been convicted of a felony, (iv) has been adjudicated incapacitated,  
39 (v) is known not to be a United States citizen by reason of reports from the Department of Motor Vehicles  
40 pursuant to § 24.2-410.1 or from the Department of Elections based on information received from the  
41 Systematic Alien Verification for Entitlements Program (SAVE Program) pursuant to subsection E, or  
42 (vi) is otherwise no longer qualified to vote as may be provided by law. Such action shall be taken no later  
43 than 30 days after notification from the Department. The Department shall promptly provide the  
44 information referred to in this subdivision, upon receiving it, to general registrars.

45 5. Retain on the system for four years a separate record for registered voters whose names have  
46 been deleted, with the reason for deletion.

47 6. Retain on the system permanently a separate record for information received regarding deaths,  
48 felony convictions, and adjudications of incapacity pursuant to §§ 24.2-408 through 24.2-410.

49 7. Provide to each general registrar, at least 16 days prior to a general or primary election and three  
50 days prior to a special election, an alphabetical list of all registered voters in each precinct or portion of a  
51 precinct in which the election is being held in the county, city, or town. These precinct lists shall be used  
52 as the official lists of qualified voters and shall constitute the pollbooks. The Department shall provide  
53 instructions for the division of the pollbooks and precinct lists into sections to accommodate the efficient

54 processing of voter lines at the polls. Prior to any general, primary, or special election, the Department  
55 shall provide any general registrar, upon his request, with a separate electronic list of all registered voters  
56 in the registrar's county or city. If electronic pollbooks are used in the locality or electronic voter  
57 registration inquiry devices are used in precincts in the locality, the Department shall provide a regional  
58 or statewide list of registered voters to the general registrar of the locality. The Department shall determine  
59 whether regional or statewide data is provided. Neither the pollbook nor the regional or statewide list of  
60 registered voters shall include the day and month of birth of the voter, but shall include the voter's year of  
61 birth.

62 8. Acquire by purchase, lease, or contract equipment necessary to execute the duties of the  
63 Department.

64 9. Use any source of information that may assist in carrying out the purposes of this section. All  
65 agencies of the Commonwealth shall cooperate with the Department in procuring and exchanging  
66 identification information for the purpose of maintaining the voter registration system. The Department  
67 may share any information that it receives from another agency of the Commonwealth with any Chief  
68 Election Officer of another state for the maintenance of the voter registration system.

69 10. Cooperate with other states and jurisdictions to develop systems to compare voters, voter  
70 history, and voter registration lists to ensure the accuracy of the voter registration rolls, to identify voters  
71 whose addresses have changed, to prevent duplication of registration in more than one state or jurisdiction,  
72 and to determine eligibility of individuals to vote in Virginia.

73 11. Reprint and impose a reasonable charge for the sale of any part of Title 24.2, lists of precincts  
74 and polling places, statements of election results by precinct, and any other items required of the  
75 Department by law. Receipts from such sales shall be credited to the Board for reimbursement of printing  
76 expenses.

77 B. The Department shall be authorized to provide for the production, distribution, and receipt of  
78 information and lists through the Virginia voter registration system by any appropriate means including,  
79 but not limited to, paper and electronic means. The Virginia Freedom of Information Act (§ 2.2-3700 et  
80 seq.) shall not apply to records about individuals maintained in this system.

81 C. The State Board shall institute procedures to ensure that each requirement of this section is  
82 fulfilled. As part of its procedures, the State Board shall provide that the general registrar shall mail notice  
83 of any cancellation pursuant to clause (v) of subdivision A 4 to the person whose registration is cancelled.

84 D. The State Board shall promulgate rules and regulations to ensure the uniform application of the  
85 law for determining a person's residence.

86 E. The Department shall apply to participate in the Systematic Alien Verification for Entitlements  
87 Program (SAVE Program) operated by U.S. Citizenship and Immigration Services of the U.S. Department  
88 of Homeland Security for the purposes of verifying that voters listed in the Virginia voter registration  
89 system are United States citizens. Upon approval of the application, the Department shall enter into any  
90 required memorandum of agreement with U.S. Citizenship and Immigration Services. The State Board  
91 shall promulgate rules and regulations governing the use of the immigration status and citizenship status  
92 information received from the SAVE Program.

93 F. The Department shall report annually by October 1 for the preceding 12 months ending August  
94 31 to the Committees on Privileges and Elections on each of its activities undertaken to maintain the  
95 Virginia voter registration system and the results of those activities. The Department's report shall be  
96 governed by the provisions of § 2.2-608 and shall encompass activities undertaken pursuant to

100 the report is accurate and reliable.

113 The Department of Motor Vehicles may not transmit the information of any person who so

125 years of age or older, and (iii) at the time of such transaction did not decline to have his information  
126 transmitted to the Department of Elections for voter registration purposes.

127 D. The Department of Elections shall use the information transmitted to determine whether a  
128 person already has a registration record in the voter registration system.

129 1. For any person who does not yet have a registration record in the voter registration system, the  
130 Department of Elections shall transmit the information to the appropriate general registrar. The general  
131 registrar shall accept or reject the registration of such person in accordance with the provisions of this  
132 chapter.

133 2. For any person who already has a registration record in the voter registration system, if the

135 shall transmit the information and the registration record to the appropriate general registrar, who shall  
136 treat such transmittal as a request for transfer and process it in accordance with the provisions of this  
137 chapter.

138 3. General registrars shall not register any person who does not satisfy all voter eligibility  
139 requirements.

140 E. The Department of Motor Vehicles shall provide assistance as required in providing voter photo

146 voting booth and furnishing an official ballot to him.

147 B. An officer of election shall ask the voter for his full name and current residence address and the

208 ~~a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B~~  
209 ~~of this section and subsection A of § 24.2-653 shall not apply to such voter at such election. The~~  
210 ~~Department of Elections shall provide instructions to the electoral boards for the handling and counting~~  
211 ~~of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.~~

218 name, date of birth, complete address, and signature. Such person shall be asked to present one of the  
219 forms of identification specified in subsection B of § 24.2-643. ~~If he is unable to present one of these~~  
220 ~~forms of identification, he shall sign a statement, subject to felony penalties for false statements pursuant~~  
221 ~~to § 24.2-1016, that he is the named registered voter he claims to be.~~ The officers of election shall note on  
222 the green envelope whether or not the voter has presented one of the specified forms of identification ~~or~~  
223 ~~signed the required statement in lieu of presenting one of the specified forms of identification.~~ The officers  
224 of election shall enter the appropriate information for the person in the precinct provisional ballots log in  
225 accordance with the instructions of the State Board but shall not enter a consecutive number for the voter  
226 on the pollbook nor otherwise mark his name as having voted.

227 The voter shall then, in the presence of an officer of election, but in a secret manner, mark the  
228 printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the  
229 ballot shall then promptly be placed in the ballot container by an officer of election.

230 B. An officer of election, by a written notice given to the voter, shall inform him that a  
231 determination of his right to vote shall be made by the electoral board and advise the voter of the beginning  
232 time and place for the board's meeting and of the voter's right to be present at that meeting. If the voter is  
233 voting provisionally as required by § 24.2-643, an officer of election, by written notice given to the voter,  
234 shall also inform him that he may submit a copy of one of the forms of identification specified in  
235 subsection B of § 24.2-643 ~~or a statement, signed by him subject to felony penalties for false statements~~  
236 ~~pursuant to § 24.2-1016, that he is the named registered voter he claims to be~~ to the electoral board by  
237 facsimile, electronic mail, in-person submission, or timely United States Postal Service or commercial  
238 mail delivery, to be received by the electoral board no later than noon on the third day after the election.

239 C. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall  
240 be sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes  
241 contained therein, and signed by the officers of election who counted them. All provisional votes

242 envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such envelopes  
243 to the secretary of the electoral board or (ii) to the general registrar in localities in which the electoral  
244 board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

245 **§ 24.2-653.01. Provisional ballots; electoral boards to make determination as to validity.**

246 A. The electoral board shall meet on the day following the election and determine whether each  
247 person having submitted a provisional vote pursuant to § 24.2-653 was entitled to do so as a qualified  
248 voter in the precinct in which he offered the provisional vote. In the case of persons voting provisionally  
249 pursuant to § 24.2-653.3, the electoral board shall determine of which district the person is a qualified  
250 voter. At the meeting, the voter may request an extension of the determination of the provisional vote in  
251 order to provide information to prove that the voter is entitled to vote in the precinct pursuant to § 24.2-  
252 401. The electoral board shall have the authority to grant such extensions that it deems reasonable to  
253 determine the status of a provisional vote.

254 If the board is unable to determine the validity of all the provisional ballots offered in the election,  
255 or has granted any voter who has offered a provisional ballot an extension, the meeting shall stand  
256 adjourned, not to exceed seven calendar days from the date of the election, until the board has determined  
257 the validity of all provisional ballots offered in the election.

258 B. The electoral board shall permit one authorized representative of each political party or  
259 independent candidate in a general or special election or one authorized representative of each candidate  
260 in a primary election to remain in the room in which the determination is being made as an observer so  
261 long as he does not participate in the proceedings and does not impede the orderly conduct of the  
262 determination. Each authorized representative shall be a qualified voter of any jurisdiction of the  
263 Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to  
264 the electoral board a written statement designating him to be a representative of the party or candidate and  
265 signed by the county or city chairman of his political party, the independent candidate, or the primary  
266 candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation,  
267 such a designation may be made by the state or district chairman of the political party. However, no written  
268 designation made by a state or district chairman shall take precedence over a written designation made by

269 the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may  
270 be photocopied and such photocopy shall be as valid as if the copy had been signed.

271 Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.),  
272 attendance at meetings of the electoral board to determine the validity of provisional ballots shall be  
273 permitted only for the authorized representatives provided for in this subsection, for the persons whose  
274 provisional votes are being considered and their representative or legal counsel, and for appropriate staff  
275 and legal counsel for the electoral board.

276 C. If the electoral board determines that such person was not entitled to vote as a qualified voter  
277 in the precinct or district in which he offered the provisional vote, is unable to determine his right to vote,  
278 or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, ~~or the~~  
279 ~~signed statement that the voter is the named registered voter he claims to be,~~ the envelope containing his  
280 ballot shall not be opened and his vote shall not be counted. The general registrar shall notify in writing  
281 pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not  
282 counted.

283 The provisional vote shall be counted if (i) such person is entitled to vote in the precinct pursuant  
284 to § 24.2-401 or (ii) the Department of Elections or the voter presents proof that indicates the voter  
285 submitted an application for registration to a state-designated voter registration agency or the voter's  
286 information was transmitted by the Department of Motor Vehicles to the Department of Elections pursuant  
287 to § 24.2-411.3 prior to the close of registration pursuant to § 24.2-416 and the registrar determines that  
288 the person was qualified for registration based upon the application for registration submitted by the  
289 person pursuant to subsection B of § 24.2-652.

290 If the electoral board determines that such person was entitled to vote, the name of the voter shall  
291 be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and  
292 the ballot shall be placed in a ballot container without any inspection further than that provided for in §  
293 24.2-646.

294 D. On completion of its determination, the electoral board shall proceed to count such ballots and  
295 certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671.

296 No adjustment shall be made to the statement of results for the precinct in which the person offered to  
297 vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have  
298 been entitled to vote shall have his name included on the list of persons who voted that is submitted to the  
299 Department of Elections pursuant to § 24.2-406.

300 E. The certification of the results of the count together with all ballots and envelopes, whether  
301 open or unopened, and other related material shall be delivered by the electoral board to the clerk of the  
302 circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

303 **§ 24.2-701. Application for mailed absentee ballot.**

304 A. The Department shall furnish each general registrar with a sufficient number of applications for  
305 official absentee ballots. The registrars shall furnish applications to persons requesting them.

306 The Department shall implement a system that enables eligible persons to request and receive an
