**Be it enacted by the General Assembly of Virginia:**

**1. That § 3.2-4115 of the Code of Virginia is amended and reenacted as follows:**

**§ 3.2-4115. Issuance of registrations; exemption.**

A. The Commissioner shall establish a registration program to allow a person to grow, deal in, or process industrial hemp in the Commonwealth.

B. Any person seeking to grow, deal in, or process industrial hemp in the Commonwealth shall apply to the Commissioner for a registration on a form provided by the Commissioner. At a minimum, the application shall include:

- 1. The name and mailing address of the applicant;
- 2. The legal description and geographic data sufficient for locating (i) the land on which the applicant intends to grow industrial hemp, (ii) the site at which the applicant intends to deal in industrial hemp, or (iii) the site at which the applicant intends to process industrial hemp. A registration shall authorize industrial hemp growth, dealing in, or processing only at the location specified in the registration;
- 3. A signed statement indicating whether the applicant has ever been convicted of a felony. A person with a prior felony drug conviction within 10 years of applying for a registration under this section shall not be eligible to be registered;

4. Written consent allowing the sheriff's office, police department, or Department of State Police, if a registration is ultimately issued to the applicant, to enter the premises on which the industrial hemp is

27 grown, dealt in, or processed to conduct physical inspections of the industrial hemp and to ensure  
28 compliance with the requirements of this chapter. No more than two physical inspections shall be  
29 conducted under this subdivision per year, unless a valid search warrant for an inspection has been issued  
30 by a court of competent jurisdiction;

31 5. Written consent allowing the Commissioner or his designee to enter the premises on which the  
32 industrial hemp is grown, dealt in, or processed to conduct inspections and sampling of the industrial hemp  
33 to ensure compliance with the requirements of this chapter;

34 6. A statement of the approximate square footage or acreage of the location he intends to use as a  
35 production field, dealership, or process site;

36 7. Any other information required by the Commissioner; and

37 8. The payment of a nonrefundable application fee, in an amount set by the Commissioner.

38 C. Each registration issued pursuant to this section shall be valid for a period of one year from the  
39 date of issuance and may be renewed in successive years. Each annual renewal shall require the payment  
40 of a registration renewal fee, in an amount set by the Commissioner.

41 D. All records, data, and information filed in support of a registration application submitted  
42 pursuant to this section and all information on a hemp producer license issued by the U.S. Department of  
43 Agriculture submitted to the Commissioner pursuant to this section shall be considered proprietary and  
44 excluded from the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

45 E. Notwithstanding the provisions of subsection B, no federally licensed hemp producer shall be  
46 required to apply to the Commissioner for a registration to grow industrial hemp in the Commonwealth.  
47 Each federally licensed hemp producer shall submit to the Commissioner a copy of his hemp producer  
48 license issued by the U.S. Department of Agriculture pursuant to 7 C.F.R. Part 990.

49 F. No fee for registration or renewal set by the Commissioner pursuant to this chapter shall exceed  
50 \$250.

51 G. The Commissioner shall not grant, suspend, or revoke any registration for growing, dealing in,  
52 or processing industrial hemp or hemp products in a manner that allows for the creation of a monopoly or  
53 otherwise lessens competition in the industrial hemp or hemp product industries in the Commonwealth.

54 All citizens of the Commonwealth shall have equal access to apply for any such registration, and the  
55 Commissioner shall not unfairly restrict or hinder the entry of any such citizen into the industrial hemp or  
56 hemp product industries in the Commonwealth.
