

HOUSE BILL NO. 1688

AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the House Committee on Communications, Technology and Innovation
on January 30, 2023)

(Patron Prior to Substitute--Delegate Brewer)

A BILL to amend and reenact §§ 59.1-575, 59.1-576, and 59.1-578 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 59.1-577.1, relating to the Consumer Data Protection Act; protections for children.

Be it enacted by the General Assembly of Virginia:

1. That §§ 59.1-575, 59.1-576, and 59.1-578 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 59.1-577.1 as follows:

§ 59.1-575. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Affiliate" means a legal entity that controls, is controlled by, or is under common control with another legal entity or shares common branding with another legal entity. For the purposes of this definition, "control" or "controlled" means (i) ownership of, or the power to vote, more than 50 percent of the outstanding shares of any class of voting security of a company; (ii) control in any manner over the election of a majority of the directors or of individuals exercising similar functions; or (iii) the power to exercise controlling influence over the management of a company.

"Authenticate" means verifying through reasonable means that the consumer, entitled to exercise his consumer rights in § 59.1-577, is the same consumer exercising such consumer rights with respect to the personal data at issue.

"Biometric data" means data generated by automatic measurements of an individual's biological characteristics, such as a fingerprint, voiceprint, eye retinas, irises, or other unique biological patterns or characteristics that is used to identify a specific individual. "Biometric data" does not include a physical

26 or digital photograph, a video or audio recording or data generated therefrom, or information collected,
27 used, or stored for health care treatment, payment, or operations under HIPAA.

28 "Business associate" means the same meaning as the term established by HIPAA.

29 "Child" means any natural person younger than ~~13~~ 18 years of age.

30 "Consent" means a clear affirmative act signifying a consumer's freely given, specific, informed,
31 and unambiguous agreement to process personal data relating to the consumer. Consent may include a
32 written statement, including a statement written by electronic means, or any other unambiguous
33 affirmative action.

34 "Consumer" means a natural person who is a resident of the Commonwealth acting only in an
35 individual or household context. It does not include a natural person acting in a commercial or employment
36 context.

37 "Controller" means the natural or legal person that, alone or jointly with others, determines the
38 purpose and means of processing personal data.

39 "Covered entity" means the same as the term is established by HIPAA.

40 "Decisions that produce legal or similarly significant effects concerning a consumer" means a
41 decision made by the controller that results in the provision or denial by the controller of financial and
42 lending services, housing, insurance, education enrollment, criminal justice, employment opportunities,
43 health care services, or access to basic necessities, such as food and water.

44 "De-identified data" means data that cannot reasonably be linked to an identified or identifiable
45 natural person, or a device linked to such person. A controller that possesses "de-identified data" shall
46 comply with the requirements of subsection A of § 59.1-581.

47 "Health record" means the same as that term is defined in § 32.1-127.1:03.

48 "Health care provider" means the same as that term is defined in § 32.1-276.3.

49 "HIPAA" means the federal Health Insurance Portability and Accountability Act of 1996 (42
50 U.S.C. § 1320d et seq.).

51 "Identified or identifiable natural person" means a person who can be readily identified, directly
52 or indirectly.

53 "Institution of higher education" means a public institution and private institution of higher
54 education, as those terms are defined in § 23.1-100.

55 "Nonprofit organization" means any corporation organized under the Virginia Nonstock
56 Corporation Act (§ 13.1-801 et seq.) or any organization exempt from taxation under § 501(c)(3),
57 501(c)(6), or 501(c)(12) of the Internal Revenue Code, any political organization, any organization exempt
58 from taxation under § 501(c)(4) of the Internal Revenue Code that is identified in § 52-41, and any
59 subsidiary or affiliate of entities organized pursuant to Chapter 9.1 (§ 56-231.15 et seq.) of Title 56.

60 "Parent or guardian" means the same as that term is defined in § 59.1-519.

61 "Personal data" means any information that is linked or reasonably linkable to an identified or
62 identifiable natural person. "Personal data" does not include de-identified data or publicly available
63 information.

64 "Political organization" means a party, committee, association, fund, or other organization,
65 whether or not incorporated, organized and operated primarily for the purpose of influencing or attempting
66 to influence the selection, nomination, election, or appointment of any individual to any federal, state, or
67 local public office or office in a political organization or the election of a presidential/vice-presidential
68 elector, whether or not such individual or elector is selected, nominated, elected, or appointed.

69 "Precise geolocation data" means information derived from technology, including but not limited
70 to global positioning system level latitude and longitude coordinates or other mechanisms, that directly
71 identifies the specific location of a natural person with precision and accuracy within a radius of 1,750
72 feet. "Precise geolocation data" does not include the content of communications or any data generated by
73 or connected to advanced utility metering infrastructure systems or equipment for use by a utility.

74 "Process" or "processing" means any operation or set of operations performed, whether by manual
75 or automated means, on personal data or on sets of personal data, such as the collection, use, storage,
76 disclosure, analysis, deletion, or modification of personal data.

77 "Processor" means a natural or legal entity that processes personal data on behalf of a controller.

78 "Profiling" means any form of automated processing performed on personal data to evaluate,
79 analyze, or predict personal aspects related to an identified or identifiable natural person's economic
80 situation, health, personal preferences, interests, reliability, behavior, location, or movements.

81 "Protected health information" means the same as the term is established by HIPAA.

82 "Pseudonymous data" means personal data that cannot be attributed to a specific natural person
83 without the use of additional information, provided that such additional information is kept separately and
84 is subject to appropriate technical and organizational measures to ensure that the personal data is not
85 attributed to an identified or identifiable natural person.

86 "Publicly available information" means information that is lawfully made available through
87 federal, state, or local government records, or information that a business has a reasonable basis to believe
88 is lawfully made available to the general public through widely distributed media, by the consumer, or by
89 a person to whom the consumer has disclosed the information, unless the consumer has restricted the
90 information to a specific audience.

91 "Sale of personal data" means the exchange of personal data for monetary consideration by the
92 controller to a third party. "Sale of personal data" does not include:

- 93 1. The disclosure of personal data to a processor that processes the personal data on behalf of the
94 controller;
- 95 2. The disclosure of personal data to a third party for purposes of providing a product or service
96 requested by the consumer;
- 97 3. The disclosure or transfer of personal data to an affiliate of the controller;
- 98 4. The disclosure of information that the consumer (i) intentionally made available to the general
99 public via a channel of mass media and (ii) did not restrict to a specific audience; or
- 100 5. The disclosure or transfer of personal data to a third party as an asset that is part of a merger,
101 acquisition, bankruptcy, or other transaction in which the third party assumes control of all or part of the
102 controller's assets.

103 "Sensitive data" means a category of personal data that includes:

- 104 1. Personal data revealing racial or ethnic origin, religious beliefs, mental or physical health
- 105 diagnosis, sexual orientation, or citizenship or immigration status;
- 106 2. The processing of genetic or biometric data for the purpose of uniquely identifying a natural
- 107 person;
- 108 3. The personal data collected from a known child; or
- 109 4. Precise geolocation data.

110 "State agency" means the same as that term is defined in § 2.2-307.

111 "Targeted advertising" means displaying advertisements to a consumer where the advertisement
112 is selected based on personal data obtained from that consumer's activities over time and across
113 nonaffiliated websites or online applications to predict such consumer's preferences or interests. "Targeted
114 advertising" does not include:

- 115 1. Advertisements based on activities within a controller's own websites or online applications;
- 116 2. Advertisements based on the context of a consumer's current search query, visit to a website, or
- 117 online application;
- 118 3. Advertisements directed to a consumer in response to the consumer's request for information or
- 119 feedback; or
- 120 4. Processing personal data processed solely for measuring or reporting advertising performance,
- 121 reach, or frequency.

122 "Third party" means a natural or legal person, public authority, agency, or body other than the
123 consumer, controller, processor, or an affiliate of the processor or the controller.

124 "Verifiable parental consent" means authorization by a parent or guardian for a controller or
125 processor to register the child of such parent or guardian with such controller's or processor's product or
126 service.

127 **§ 59.1-576. Scope; exemptions.**

128 A. This chapter applies to persons that conduct business in the Commonwealth or produce products
129 or services that are targeted to residents of the Commonwealth and that (i) during a calendar year, control

130 or process personal data of at least 100,000 consumers or (ii) control or process personal data of at least
131 25,000 consumers and derive over 50 percent of gross revenue from the sale of personal data.

132 B. This chapter shall not apply to any (i) body, authority, board, bureau, commission, district, or
133 agency of the Commonwealth or of any political subdivision of the Commonwealth; (ii) financial
134 institution or data subject to Title V of the federal Gramm-Leach-Bliley Act (15 U.S.C. § 6801 et seq.);
135 (iii) covered entity or business associate governed by the privacy, security, and breach notification rules
136 issued by the U.S. Department of Health and Human Services, 45 C.F.R. Parts 160 and 164 established
137 pursuant to HIPAA, and the Health Information Technology for Economic and Clinical Health Act (P.L.
138 111-5); (iv) nonprofit organization; or (v) institution of higher education.

139 C. The following information and data is exempt from this chapter:

- 140 1. Protected health information under HIPAA;
- 141 2. Health records for purposes of Title 32.1;
- 142 3. Patient identifying information for purposes of 42 U.S.C. § 290dd-2;
- 143 4. Identifiable private information for purposes of the federal policy for the protection of human
144 subjects under 45 C.F.R. Part 46; identifiable private information that is otherwise information collected
145 as part of human subjects research pursuant to the good clinical practice guidelines issued by The
146 International Council for Harmonisation of Technical Requirements for Pharmaceuticals for Human Use;
147 the protection of human subjects under 21 C.F.R. Parts 6, 50, and 56, or personal data used or shared in
148 research conducted in accordance with the requirements set forth in this chapter, or other research
149 conducted in accordance with applicable law;
- 150 5. Information and documents created for purposes of the federal Health Care Quality
151 Improvement Act of 1986 (42 U.S.C. § 11101 et seq.);
- 152 6. Patient safety work product for purposes of the federal Patient Safety and Quality Improvement
153 Act (42 U.S.C. § 299b-21 et seq.);
- 154 7. Information derived from any of the health care-related information listed in this subsection that
155 is de-identified in accordance with the requirements for de-identification pursuant to HIPAA;

156 8. Information originating from, and intermingled to be indistinguishable with, or information
157 treated in the same manner as information exempt under this subsection that is maintained by a covered
158 entity or business associate as defined by HIPAA or a program or a qualified service organization as
159 defined by 42 U.S.C. § 290dd-2;

160 9. Information used only for public health activities and purposes as authorized by HIPAA;

161 10. The collection, maintenance, disclosure, sale, communication, or use of any personal
162 information bearing on a consumer's credit worthiness, credit standing, credit capacity, character, general
163 reputation, personal characteristics, or mode of living by a consumer reporting agency or furnisher that
164 provides information for use in a consumer report, and by a user of a consumer report, but only to the
165 extent that such activity is regulated by and authorized under the federal Fair Credit Reporting Act (15
166 U.S.C. § 1681 et seq.);

167 11. Personal data collected, processed, sold, or disclosed in compliance with the federal Driver's
168 Privacy Protection Act of 1994 (18 U.S.C. § 2721 et seq.);

169 12. Personal data regulated by the federal Family Educational Rights and Privacy Act (20 U.S.C.
170 § 1232g et seq.);

171 13. Personal data collected, processed, sold, or disclosed in compliance with the federal Farm
172 Credit Act (12 U.S.C. § 2001 et seq.); and

173 14. Data processed or maintained (i) in the course of an individual applying to, employed by, or
174 acting as an agent or independent contractor of a controller, processor, or third party, to the extent that the
175 data is collected and used within the context of that role; (ii) as the emergency contact information of an
176 individual under this chapter used for emergency contact purposes; or (iii) that is necessary to retain to
177 administer benefits for another individual relating to the individual under clause (i) and used for the
178 purposes of administering those benefits.

179 ~~D. Controllers and processors that comply with the verifiable parental consent requirements of the~~
180 ~~Children's Online Privacy Protection Act (15 U.S.C. § 6501 et seq.) shall be deemed compliant with any~~
181 ~~obligation to obtain parental consent under this chapter.~~

182 **§ 59.1-577.1. Controller and processor responsibilities; verifiable parental consent.**

183 A. A controller or processor shall obtain verifiable parental consent prior to registering any child
184 with the controller's or processor's product or service or before collecting, using, or disclosing such child's
185 personal data that has been verified by such child's parent or guardian. A controller or processor shall give
186 the parent or guardian the option to consent to the collection and use of the child's personal data without
187 consenting to the disclosure of such child's personal data to third parties.

188 B. A controller or processor shall make reasonable efforts to obtain verifiable parental consent by
189 taking into consideration available technology to ensure that the person providing such consent is the
190 child's parent or guardian. Verifiable parental consent may be obtained by the parent or guardian:

191 1. Providing a signed consent form to the controller or processor;

192 2. Using a credit card, debit card, or other online payment system that provides notification of any
193 transaction with the controller or processor to the primary account holder; or

194 3. Providing a form of government-issued identification to the controller or processor.

195 **§ 59.1-578. Data controller responsibilities; transparency.**

196 A. A controller shall:

197 1. Limit the collection of personal data to what is adequate, relevant, and reasonably necessary in
198 relation to the purposes for which such data is processed, as disclosed to the consumer;

199 2. Except as otherwise provided in this chapter, not process personal data for purposes that are
200 neither reasonably necessary to nor compatible with the disclosed purposes for which such personal data
201 is processed, as disclosed to the consumer, unless the controller obtains the consumer's consent;

202 3. Establish, implement, and maintain reasonable administrative, technical, and physical data
203 security practices to protect the confidentiality, integrity, and accessibility of personal data. Such data
204 security practices shall be appropriate to the volume and nature of the personal data at issue;

205 4. Not process personal data in violation of state and federal laws that prohibit unlawful
206 discrimination against consumers. A controller shall not discriminate against a consumer for exercising
207 any of the consumer rights contained in this chapter, including denying goods or services, charging
208 different prices or rates for goods or services, or providing a different level of quality of goods and services
209 to the consumer. However, nothing in this subdivision shall be construed to require a controller to provide

210 a product or service that requires the personal data of a consumer that the controller does not collect or
211 maintain or to prohibit a controller from offering a different price, rate, level, quality, or selection of goods
212 or services to a consumer, including offering goods or services for no fee, if the consumer has exercised
213 his right to opt out pursuant to § 59.1-577 or the offer is related to a consumer's voluntary participation in
214 a bona fide loyalty, rewards, premium features, discounts, or club card program;~~and~~

215 5. Not process sensitive data concerning a consumer without obtaining the consumer's consent, or,
216 in the case of the processing of sensitive data concerning a known child, without processing such data in
217 accordance with the federal Children's Online Privacy Protection Act (15 U.S.C. § 6501 et seq.); and

218 6. Not knowingly process personal data of a child for purposes of (i) targeted advertising, (ii) the
219 sale of such personal data, or (iii) profiling in furtherance of decisions that produce legal or similarly
220 significant effects concerning a consumer.

221 B. Any provision of a contract or agreement of any kind that purports to waive or limit in any way
222 consumer rights pursuant to § 59.1-577 shall be deemed contrary to public policy and shall be void and
223 unenforceable.

224 C. Controllers shall provide consumers with a reasonably accessible, clear, and meaningful privacy
225 notice that includes:

- 226 1. The categories of personal data processed by the controller;
- 227 2. The purpose for processing personal data;
- 228 3. How consumers may exercise their consumer rights pursuant § 59.1-577, including how a
229 consumer may appeal a controller's decision with regard to the consumer's request;
- 230 4. The categories of personal data that the controller shares with third parties, if any; and
- 231 5. The categories of third parties, if any, with whom the controller shares personal data.

232 D. If a controller sells personal data to third parties or processes personal data for targeted
233 advertising, the controller shall clearly and conspicuously disclose such processing, as well as the manner
234 in which a consumer may exercise the right to opt out of such processing.

235 E. A controller shall establish, and shall describe in a privacy notice, one or more secure and
236 reliable means for consumers to submit a request to exercise their consumer rights under this chapter.

237 Such means shall take into account the ways in which consumers normally interact with the controller,
238 the need for secure and reliable communication of such requests, and the ability of the controller to
239 authenticate the identity of the consumer making the request. Controllers shall not require a consumer to
240 create a new account in order to exercise consumer rights pursuant to § 59.1-577 but may require a
241 consumer to use an existing account.
