**2. That the Board of Pharmacy (the Board) shall consider the following factors when determining whether to authorize an additional cannabis cultivation location: (i) the location of the proposed additional cannabis cultivation location, (ii) the distance of the proposed additional cannabis cultivation location from the pharmaceutical processor, (iii) access to a secure transportation network between the proposed additional cannabis cultivation location and the pharmaceutical processor, (iv) whether the proposed location for the additional cannabis cultivation facility is economically viable, (v) whether there is a demonstrated demand for additional cannabis cultivation, and (vi) any additional factors determined by the Board to be relevant in making its determination.**
