AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the House Committee on Health and Human Services

on \_\_\_\_\_)

(Patron Prior to Substitute--Delegate Callsen)

A BILL to amend and reenact § 63.2-900.1 of the Code of Virginia and to amend the Code of Virginia by adding in Chapter 15 of Title 63.2 an article numbered 7, consisting of sections numbered 63.2-1531 through 63.2-1536, relating to kinship foster care; alternative living arrangements; Parental Child Safety Placement Program established.

**Be it enacted by the General Assembly of Virginia:**

**1. That § 63.2-900.1 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in Chapter 15 of Title 63.2 an article numbered 7, consisting of sections numbered 63.2-1531 through 63.2-1536, as follows:**

**§ 63.2-900.1. Kinship foster care.**

A. When placing a child, the local board shall first consider placement with a kinship foster parent.

B. The local board shall, in accordance with regulations adopted by the Board, determine whether the child has any relative who may be eligible to become a kinship foster parent. Searches for relatives eligible to serve as kinship foster parents shall be conducted at the time the child enters foster care, at least annually thereafter, and prior to any subsequent changes to the child's placement setting. The local board shall take all reasonable steps to provide notice to such relatives of their potential eligibility to become kinship foster parents and explain any opportunities such relatives may have to participate in the placement and care of the child, including opportunities available through kinship foster care or kinship guardianship.

If a relative requests to become the child's kinship foster parent, the local board shall provide the relative with any forms or materials that must be submitted in order to become a kinship foster parent within no more than 15 days of such request. If the relative's request to become a kinship foster parent is denied, the local board shall provide to the relative (i) a clear and specific explanation of the reasons for

27 such denial, (ii) a statement that such denial is appealable pursuant to § 63.2-915, and (iii) information  
28 regarding the procedure for filing such appeal.

29 B-C. If a local board does not place a child with an approved kinship foster parent, the local board  
30 shall file an exception report with the Commissioner within 72 hours of placement. For the purposes of  
31 this section, an exception report is defined as a report that has been approved by a director of a local  
32 department prior to placing a child in a non-kinship foster care placement and documents all known  
33 relatives and fictive kin of the child, all efforts of the local board to locate relatives and fictive kin of the  
34 child, and the reasons why the child was not placed with relatives.

35 D. Kinship foster care placements pursuant to this section shall be subject to all requirements of,  
36 and shall be eligible for all services related to, foster care placement contained in this chapter. Subject to  
37 approval by the Commissioner, a local board may grant a waiver of the Board's standards for foster home  
38 approval, set forth in regulations, that are not related to safety. Training requirements may be waived for  
39 purposes of initial approval; however, such training requirements shall be completed within six months of  
40 the initial approval. If a local board determines that training requirements are a barrier to placement with  
41 a kinship foster parent and that placement with such kinship foster parent is in the child's best interest, the  
42 local board shall submit a waiver request to the Commissioner. Waivers granted pursuant to this subsection  
43 shall be considered and, if appropriate, granted on a case-by-case basis and shall include consideration of  
44 the unique needs of each child to be placed. Upon request by a local board, the Commissioner shall review  
45 the local board's decision and reasoning to grant a waiver and shall verify that the foster home approval  
46 standard being waived is not related to safety. If the Commissioner grants the waiver and allows approval  
47 of the home in accordance with Board regulations, the child may be placed in the home immediately. The  
48 approval or disapproval by the Commissioner of the local board's waiver shall not be considered a case  
49 decision as defined in § 2.2-4001.

50 E. The kinship foster parent shall be eligible to receive payment at the full foster care rate for  
51 the care of the child.

52 F. During the process of determining whether a person should be approved as a kinship foster  
53 parent, a local board shall not require that the child be removed from the physical custody of the kinship

54 foster parent who is the subject of such approval process, provided the placement remains in the child's  
55 best interest.

56 ~~E-G.~~ A child placed in kinship foster care pursuant to this section shall not be removed from the  
57 physical custody of the kinship foster parent, provided that the child has been living with the kinship foster  
58 parent for six consecutive months and the placement continues to meet approval standards for foster care,  
59 unless (i) the kinship foster parent consents to the removal; (ii) removal is agreed upon at a family  
60 partnership meeting as defined by the Department; (iii) removal is ordered by a court of competent  
61 jurisdiction; or (iv) removal is warranted pursuant to § 63.2-1517.

62 ~~F-H.~~ For purposes of this section, "relative" means an adult who is (i) related to the child by blood,  
63 marriage, or adoption or (ii) fictive kin of the child.

64 Article 7.

65 Parental Child Safety Placement Program.

66 **§ 63.2-1531. Definitions.**

67 For the purposes of this article, unless the context requires a different meaning:

68 "Alternative living arrangement" means an arrangement whereby custody of a child is temporarily  
69 transferred to a caregiver in conjunction with an alternative living arrangement service plan.

70 "Alternative living arrangement service plan" means a plan developed by the local department and  
71 the family that describes the services identified to meet the safety needs of the child and to address the  
72 issues identified by the local department that necessitated the parental child safety placement arrangement  
73 and any subsequent court-approved removal of the child from his home.

74 "Caregiver" means a relative of the child as defined in subsection H of § 63.2-900.1 other than the  
75 child's parent, guardian, or legal custodian.

76 "In-Home Services" means services that (i) address child safety and risk factors; (ii) preserve  
77 families by maintaining the child's safety at home or in the home of a caregiver; (iii) prevent further abuse  
78 or neglect of the child; (iv) reduce or eliminate re-traumatization of the child or family; (v) maintain the  
79 child's current living arrangement and community culture; or (vi) otherwise promote the child's well-  
80 being, safety, and permanence.

81 "Parental child safety placement arrangement" means a temporary out-of-home placement of a  
82 child with a caregiver that is arranged by the child's parent, guardian, or legal custodian in accordance  
83 with a written agreement approved by the local department that ensures the safety of the child.

84 "Program" means the Parental Child Safety Placement Program established pursuant to § 63.2-  
85 1532.

86 **§ 63.2-1532. Parental Child Safety Placement Program; established.**

87 The Parental Child Safety Placement Program is established to prevent unnecessary entry into  
88 foster care by promoting and supporting placements with relatives and fictive kin and requiring  
89 accountability for pre-court placements of children. A local department may facilitate a parental child  
90 safety placement arrangement in accordance with the provisions of this article if (i) a family assessment  
91 or investigation has been initiated in response to a valid complaint alleging that the child has been abused  
92 or neglected; (ii) the safety assessment conducted by the local department indicates that a child cannot  
93 remain safely in the home; and (iii) the child's parent, guardian, or legal custodian is in agreement with  
94 the parental child safety placement arrangement.

95 **§ 63.2-1533. Parental child safety placement agreement; terms.**

96 A. A parental child safety placement agreement shall include provisions describing the following:

97 1. The facts and circumstances that provide the basis for the safety assessment indicating that the  
98 child cannot remain safely in the home;

99 2. The responsibilities of the child's parent, guardian, or legal custodian and the caregiver,  
100 including a plan for how the caregiver will access necessary medical treatment, mental health services,  
101 and appropriate educational services for the child;

102 3. Visitation arrangements for the child's parent, guardian, or legal custodian, including supervised  
103 visitation as necessary, and other methods by which the child's parent, guardian, or legal custodian may  
104 contact the child;

105 4. The responsibilities of the local department, including (i) any services to be provided to the  
106 child, the child's parent, guardian, or legal custodian, and the caregiver and (ii) a requirement that the local

107 department visit the caregiver's home (a) within two weeks of the placement and (b) thereafter in  
108 accordance with Board regulations;

109 5. The date on which the agreement will terminate unless terminated sooner or extended to a  
110 subsequent date as provided in this article; and

111 6. Any other terms the local department determines necessary for the safety and welfare of the  
112 child.

113 B. A parental child safety placement agreement shall contain the following:

114 1. A statement that the child's parent, guardian, or legal custodian voluntarily consents to the  
115 parental child safety placement arrangement, that such consent is not an admission of child abuse or  
116 neglect on such person's part;

117 2. A statement that the agreement may be terminated by any party, at any time, and for any reason  
118 and a statement that, upon such termination, the local department may take actions to protect the child,  
119 including the removal of the child pursuant to the provisions of this title;

120 3. A statement that the child's parent, guardian, or legal custodian and the caregiver may seek legal  
121 counsel prior to entering into the agreement;

122 4. A statement that the child's parent, guardian, or legal custodian and the caregiver have the right  
123 to refuse to enter into the agreement; and

124 5. A statement that the local department has notified the child's parent, guardian, or legal custodian  
125 and the caregiver of the alternative option for the child to enter foster care and the potential for the  
126 caregiver to become an approved kinship foster parent.

127 C. Prior to signing the parental child safety placement agreement, the local department shall notify  
128 the caregiver of any financial assistance available to the caregiver through the Program for the period of  
129 time that the agreement is in place.

130 D. A parental child safety placement agreement shall be in writing and signed by the child's parent,  
131 guardian, or legal custodian, the caregiver, and the local department.

132 E. The local department shall provide a written copy of the parental child safety placement  
133 agreement to the child's parent, guardian, or legal custodian and the caregiver.

134 F. The local department shall include a scanned copy of the parental child safety placement  
135 agreement in the case record.

136 G. The term of the parental child safety placement agreement shall be no more than 90 days from  
137 the date the agreement is signed, which shall, as applicable, run concurrently with the time necessary to  
138 complete the child protective services investigation or family assessment. A parental child safety  
139 placement agreement may be extended, but such extension shall not exceed one additional 90-day period  
140 and the reason for such extension shall be documented in the case record. Prior to any extension, the local  
141 department shall conduct a facilitated meeting and perform a safety assessment to determine whether (i)  
142 the child should be returned home, (ii) the agreement should be extended, or (iii) the local department  
143 should seek a child protective order or other court action.

144 H. The In-Home Services case shall remain open for the duration of the parental child safety  
145 placement agreement.

146 **§ 63.2-1534. Caregiver assessment.**

147 A. The local department shall assess the proposed caregiver and determine whether the proposed  
148 caregiver (i) is willing and qualified to receive and care for the child; (ii) is willing to have a positive,  
149 continuous relationship with the child; and (iii) is willing and has the ability to protect the child from  
150 abuse and neglect. Such assessment shall include requirements for (a) inquiry into the criminal and child  
151 protective services history of each adult in the proposed caregiver's household and (b) an assessment of  
152 the caregiver's home environment in accordance with Board regulations.

153 B. The local department shall document the results of the assessment of the proposed caregiver  
154 and his home environment in the case record.

155 C. If, after conducting the assessment of the proposed caregiver, the local department determines  
156 that it is not in the child's best interests to be placed with the proposed caregiver, the local department  
157 shall notify the child's parent, guardian, or legal custodian and the proposed caregiver of the reasons for  
158 the local department's determination but may not disclose the results of any criminal or child protective  
159 services history unless the proposed caregiver consents to such disclosure.

160 § 63.2-1535. Termination of the parental child safety placement agreement and the  
161 alternative living arrangement.

162 A. Prior to the conclusion of a parental child safety placement agreement, the local department  
163 shall reassess the safety of the child if the child were to be returned home.

164 B. If it is determined that the child can be safely returned home prior to or at the conclusion of the  
165 parental child safety placement agreement, the local department shall develop a safety plan with the child's  
166 parent, guardian, or legal custodian and the caregiver for the safe return of the child to the child's parent,  
167 guardian, or legal custodian or to another legal custodian. The local department may take the following  
168 actions if it is determined that continued services are required for the child to safely return home:

169 1. Maintain an open In-Home Services case for continued services with the agreement of the child's  
170 parent, guardian, or legal custodian; or

171 2. Seek a child protective order or other court action to order continued services if the child's  
172 parent, guardian, or legal custodian does not agree to the In-Home Services case remaining open for  
173 continued services.

174 C. If it is determined that the child cannot be safely returned home at the conclusion of the parental  
175 child safety placement agreement, the local department shall seek court intervention for the removal of  
176 the child from the child's parent, guardian, or legal custodian, upon a petition alleging abuse or neglect  
177 pursuant to § 16.1-251 or 16.1-252.

178 1. Prior to the first court hearing, the local department shall make reasonable efforts to convene a  
179 facilitated meeting that includes the child's parent, guardian, or legal custodian, the caregiver, and the  
180 child, if 12 years of age or older, to collaboratively develop an alternate living arrangement service plan.  
181 During such meeting, the local department shall notify the child's parent, guardian, or legal custodian and  
182 the caregiver of all possible options for the care of the child, to include foster care, kinship foster care,  
183 and the transfer of temporary custody to the caregiver.

184 2. If the court orders temporary custody of the child to the caregiver, the local department may  
185 continue to provide services to the caregiver and child through an In-Home Services case, consistent with  
186 the alternate living arrangement service plan. At the dispositional hearing of the local department's

187 petition, if the child cannot be safely returned to the child's parent, guardian, or legal custodian, the local  
188 department shall either:

189 a. If reunification of the child with the child's parent, guardian, or legal custodian remains the plan,  
190 request that the court continue temporary custody of the child with the caregiver, if appropriate, and enter  
191 such terms and conditions that would promote the child's interest and welfare, provide ongoing services  
192 to the family, and provide for further court review of the child's placement in accordance with the court's  
193 authority in subdivision A 1 of § 16.1-278.2; or

194 b. If reunification of the child with the child's parent, guardian, or legal custodian is no longer the  
195 plan, request the court to enter a final order of custody to the caregiver. If further services are necessary  
196 to ensure the child's safety and welfare with the caregiver, the local department may keep the case open  
197 as an In-Home Services case until stability for the child is achieved.

198 3. If the court denies the removal of the child, the local department shall seek a child protective  
199 order to provide continued services for the child and the child's parent, guardian, or legal custodian to  
200 ensure the child's safety and welfare. If the child protective order is granted, the case shall remain open as  
201 an In-Home Services case.

202 4. The alternate living arrangement service plan shall include provisions describing the following:

203 a. The facts and circumstances that provide the basis for the safety assessment indicating that the  
204 child cannot remain safely in the home;

205 b. The responsibilities of the child's parent, guardian, or legal custodian and the caregiver;

206 c. Visitation arrangements for the child's parent, guardian, or legal custodian and conditions under  
207 which and methods by which the child's parent, guardian, or legal custodian may contact the child;

208 d. The responsibilities of the local department, including any services to be provided to the child,  
209 the child's parent, guardian, or legal custodian, and the caregiver; and

210 e. Any other term the local department determines necessary for the safety and welfare of the child.

211 **§ 63.2-1536. General provisions.**

212 A. Nothing herein shall be deemed to prohibit the local department from seeking any other  
213 appropriate court action at any time to protect the health and welfare of the child.

214 B. Nothing herein shall be deemed to prohibit a caregiver or other person with a legitimate interest  
215 from petitioning the court for custody of the child. If the caregiver petitions for custody, the local  
216 department shall make reasonable efforts to conduct a facilitated meeting to discuss the continuation of  
217 services for the child and family.

218 **2. That the provisions requiring a local board to file an exception report, established pursuant to §**  
219 **63.2-900.1 of the Code of Virginia, as amended by this act, shall become effective on January 1,**  
220 **2025.**

221 **3. That the State Board of Social Services (the Board) shall promulgate regulations to implement**  
222 **the provisions of this act by January 1, 2025. Such regulations shall include provisions regarding**  
223 **the manner in which Parental Child Safety Placement Program payments are prioritized based on**  
224 **available funding. The Board's initial adoption of such regulations and any other regulations**  
225 **necessary to implement the provisions of this act shall be exempt from the Administrative Process**  
226 **Act (§ 2.2-4000 et seq. of the Code of Virginia), except that the Board shall provide an opportunity**  
227 **for public comment on such regulations prior to adoption.**
