

HB 1050

SUBCOMMITTEE

1. Line 302, introduced, after consumption.

strike

the remainder of line 302 and all of lines 303, 304, and 305

insert

Any frozen dessert sold for off-premises consumption pursuant to this subdivision shall (a) be enclosed in a container that has no straw holes or other openings and is sealed in a manner that allows a person to readily discern whether the container has been opened or tampered with subsequent to its original closure; (b) display the name of the licensee from which the frozen dessert was purchased; and (c) be clearly marked with the phrase "contains alcoholic beverages."

SUBCOMMITTEE

2. Line 307, introduced, after sherbet.

insert

"Frozen dessert" shall not include what is commonly known as a milkshake.

SUBCOMMITTEE

3. Line 847, introduced, after consumption.

strike

the remainder of line 847 and all of lines 848, 849, and 850

insert

Any frozen dessert sold for off-premises consumption pursuant to this subdivision shall (a) be enclosed in a container that has no straw holes or other openings and is sealed in a manner that allows a person to readily discern whether the container has been opened or tampered with subsequent to its original closure; (b) display the name of the licensee from which the frozen dessert was purchased; and (c) be clearly marked with the phrase "contains alcoholic beverages."

SUBCOMMITTEE

4. Line 852, introduced, after sherbet.

insert

"Frozen dessert" shall not include what is commonly known as a milkshake.
