(Patron Prior to Substitute--Delegate Rasoul)

A BILL to amend and reenact §§ 16.1-340.1:1 and 37.2-809.1 of the Code of Virginia, relating to state psychiatric hospitals; temporary detention orders; delayed admission to determine medical needs.

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 16.1-340.1:1 and 37.2-809.1 of the Code of Virginia are amended and reenacted as follows:**

**§ 16.1-340.1:1. Facility of temporary detention.**

A. In each case in which an employee or designee of the local community services board is required to make an evaluation of a minor pursuant to subsection B, G, or H of § 16.1-340, an employee or designee of the local community services board shall, upon being notified of the need for such evaluation, contact the state facility for the area in which the community services board is located and notify the state facility that the minor will be transported to the facility upon issuance of a temporary detention order if no other facility of temporary detention can be identified by the time of the expiration of the period of emergency custody pursuant to § 16.1-340. Upon completion of the evaluation, the employee or designee of the local community services board shall convey to the state facility information about the minor necessary to allow the state facility to determine the services the minor will require upon admission.

B. A state facility is authorized to delay admission of a minor who is under a temporary detention order until the state facility has determined that the minor does not have potentially life-threatening medical needs that require immediate evaluation and treatment that the state facility is incapable of providing. This subsection shall not be interpreted as precluding state facilities from delaying the admission of a minor who is under a temporary detention order for other reasons, such as insufficiency of physical space or staffing.

26 ~~B-C.~~ A state facility may, following the notice in accordance with subsection A, conduct a search  
27 for an alternative facility that is able and willing to provide temporary detention and appropriate care to  
28 the minor, which may include another state facility if the state facility notified in accordance with  
29 subsection A is unable to provide temporary detention and appropriate care for the minor. Under no  
30 circumstances shall a state facility fail or refuse to admit a minor who meets the criteria for temporary  
31 detention pursuant to § 16.1-340.1 unless an alternative facility that is able to provide temporary detention  
32 and appropriate care agrees to accept the minor for temporary detention, and the minor shall not during  
33 the duration of the temporary detention order be released from custody except for purposes of transporting  
34 the minor to the state facility or alternative facility in accordance with the provisions of § 16.1-340.2. If  
35 an alternative facility is identified and agrees to accept the minor for temporary detention, the state facility  
36 shall notify the community services board, and an employee or designee of the community services board  
37 shall designate the alternative facility on the prescreening report.

38 ~~C-D.~~ The facility of temporary detention designated in accordance with this section shall be one  
39 that has been approved pursuant to regulations of the State Board of Behavioral Health and Developmental  
40 Services.

41 **§ 37.2-809.1. Facility of temporary detention.**

42 A. In each case in which an employee or designee of the local community services board as defined  
43 in § 37.2-809 is required to make an evaluation of an individual pursuant to subsection B, G, or H of §  
44 37.2-808, an employee or designee of the local community services board shall, upon being notified of  
45 the need for such evaluation, contact the state facility for the area in which the community services board  
46 is located and notify the state facility that the individual will be transported to the facility upon issuance  
47 of a temporary detention order if no other facility of temporary detention can be identified by the time of  
48 the expiration of the period of emergency custody pursuant to § 37.2-808. Upon completion of the  
49 evaluation, the employee or designee of the local community services board shall convey to the state  
50 facility information about the individual necessary to allow the state facility to determine the services the  
51 individual will require upon admission.

52 B. A state facility is authorized to delay admission of an individual who is under a temporary  
53 detention order until the state facility has determined that the individual does not have potentially life-  
54 threatening medical needs that require immediate evaluation and treatment that the state facility is  
55 incapable of providing. This subsection shall not be interpreted as precluding state facilities from delaying  
56 the admission of an individual who is under a temporary detention order for other reasons, such as  
57 insufficiency of physical space or staffing.

58 ~~B.~~C. A state facility may, following the notice in accordance with subsection A, conduct a search  
59 for an alternative facility that is able and willing to provide temporary detention and appropriate care to  
60 the individual, which may include another state facility if the state facility notified in accordance with  
61 subsection A is unable to provide temporary detention and appropriate care for the individual. Under no  
62 circumstances shall a state facility fail or refuse to admit an individual who meets the criteria for temporary  
63 detention pursuant to § 37.2-809 unless an alternative facility that is able to provide temporary detention  
64 and appropriate care agrees to accept the individual for temporary detention and the individual shall not  
65 during the duration of the temporary detention order be released from custody except for purposes of  
66 transporting the individual to the state facility or alternative facility in accordance with the provisions of  
67 § 37.2-810. If an alternative facility is identified and agrees to accept the individual for temporary  
68 detention, the state facility shall notify the community services board, and an employee or designee of the  
69 community services board shall designate the alternative facility on the prescreening report.

70 ~~C.~~D. A state facility may conduct a search for an alternative facility that is able and willing to  
71 provide temporary detention and appropriate care to the individual in accordance with subsection B if the  
72 individual is in the custody of an alternative transportation provider.

73 ~~D.~~E. The facility of temporary detention designated in accordance with this section shall be one  
74 that has been approved pursuant to regulations of the Board.

75 **2. That the provisions of this act shall become effective on July 1, 2025.**
