Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-305.1 and 22.1-277.2:1 of the Code of Virginia are amended and reenacted as follows:

§ 16.1-305.1. Disclosure of disposition in certain delinquency cases.

Upon a court's disposition of a proceeding where a juvenile is charged with a crime listed in subsection G of § 16.1-260 in which a juvenile is adjudicated delinquent, convicted, found not guilty, or the charges are reduced, the clerk of the court in which the disposition is entered shall, within 15 days of the expiration of the appeal period, if there has been no notice of an appeal, provide written notice of the disposition ordered by the court, including the nature of the offense upon which the disposition was based, to the superintendent of the school division in which the child is enrolled at the time of the disposition or, if he is not then enrolled in school, the division in which he was enrolled at the time of the offense. If the court defers disposition, or the charges are nolle prosequi, withdrawn, or dismissed, the clerk shall, within 15 days of such action, provide written notice of such action to the superintendent of the school division in which the child is enrolled at such time or, if he is not then enrolled in school, the division in which he was enrolled at the time of the offense. The clerk of the court in which such disposition was entered or deferred shall, upon written request of the superintendent of the school division to which written notice of the disposition or deferred disposition was provided pursuant to this section, provide a copy of the court order ordering any conditions upon such disposition or deferred disposition to such superintendent. If charges are withdrawn in intake or handled informally without a court disposition, the intake officer shall,

27 within 15 days of such action, provide written notification of the action to the superintendent of the school
28 division in which the child is enrolled at that time or, if he is not then enrolled in school, the division in
29 which he was enrolled at the time of the offense.

30 If the child is not enrolled in the school division that receives notification under this section, the
31 superintendent of that division may forward the notification to the superintendent of the school division
32 where the child is enrolled.

33 A superintendent who receives notification under this section may disclose the information
34 received to anyone to whom he or a principal disclosed that a petition had been filed. Further disclosure
35 of information received under this section by the superintendent to school personnel is authorized only as
36 provided in § 22.1-288.2.

41 of school board policies, on weapons, alcohol, or drugs, or intentional injury to another person, or with an
42 offense that is required to be disclosed to the superintendent of the school division pursuant to subsection
43 G of § 16.1-260; (ii) found guilty or not innocent of an offense relating to the Commonwealth's laws on

60 or deferred disposition and any conditions ordered in relation to a deferred disposition but not specified
61 in the court order.

63 pending against a pupil.

64 B. A school board may adopt regulations authorizing the division superintendent or his designee
65 to require students to attend an alternative education program consistent with the provisions of subsection
66 A after (i) written notice to the student and his parent that the student will be required to attend an

70 final unless altered by the school board, upon timely written petition, as established in regulation, by the
71 student or his parent, for a review of the record by the school board.
