b	1997	10%
c	1998	15%
d	1999	20%
e	2000 and thereafter	25%

If the amount of such credit exceeds the taxpayer's tax liability for such taxable year, the amount that exceeds the tax liability may be carried over for credit against the taxes of such taxpayer in the next ten taxable years or until the full credit is used, whichever occurs first. Credits granted to a partnership or electing small business corporation (S corporation) shall be passed through to the partners or shareholders, respectively. Credits granted to a partnership or electing small business corporation (S corporation) shall be allocated among all partners or shareholders, respectively, either in proportion to their ownership

22 interest in such entity or as the partners or shareholders mutually agree as provided in an executed
23 document, the form of which shall be prescribed by the Director of the Department of Historic Resources.

24 B. Effective for taxable years beginning on and after January 1, 2000, any individual, trust, estate,
25 or corporation resident in Virginia that incurs eligible expenses in the rehabilitation of a certified historic
26 structure in any other state that has in effect a reciprocal historic structure rehabilitation tax credit program
27 and agreement for residents of that state who rehabilitate historic structures in Virginia shall be entitled to
28 a credit to the same extent as provided in subsection A and other applicable provisions of law; however,
29 no eligible party shall receive any credit authorized under this subsection prior to taxable years beginning
30 on and after January 1, 2002.

31 C. 1. To claim the credit authorized under this section, the taxpayer shall apply to the Virginia
32 Department of Historic Resources, which shall determine the amount of eligible rehabilitation expenses
33 and issue a certificate thereof to the taxpayer. The taxpayer shall attach the certificate to the Virginia tax
34 return on which the credit is claimed.

35 2. a. For taxable years beginning on and after January 1, 2017, but before January 1, 2025, the
36 amount of the credit that may be claimed by each taxpayer, including amounts carried over from prior
37 taxable years, shall not exceed \$5 million in any taxable year.

46 Virginia Landmarks Register.

47 "Eligible rehabilitation expenses" means expenses incurred in the material rehabilitation of a

58 as otherwise prohibited by this section, the extent to which the availability of the credit provided by this
59 section is coextensive with the availability of the federal tax credit for the rehabilitation of certified historic
60 resources.

61 F. Any gain or income under federal law from the allocation or application of a tax credit under
62 this section shall not be (i) taxable gain or income for purposes of the tax imposed pursuant to Article 2
